Yanchep

Nestled between the National Park and beautiful beaches at Yanchep is a rare opportunity; a new way of life in an established community by the beach. Capricorn is an affordable, truly seaside opportunity in the northern corridor. A variety of homesites, many with views and all with the unmistakable atmosphere of a coastal community.

Gifted with an abundance of natural and man made features: beautiful Yanchep National Park, the Two Rocks Marina and Sun City Yacht Club, the renowned Sun City Golf Course and Country

Club, swimming in the crystal waters of the famous Yanchep Lagoon and more. With an existing primary/high school and another primary school due for completion in 2007, a brand new aged care facility just months away, plus the university, hospital and shopping facilities less than 20 minutes away in Joondalup, Capricorn has all the modern conveniences you need.
